EDUCATION

Master of Computer Applications (MCA), Lakshmi Narain College of Technology, Madhya Pradesh	2024 – 2026
B.Sc. Computer Applications, Ganesh Lal Aggrawal College, Jharkhand	2020 – 2023
Class XII (CBSE), Elite Public School, Jharkhand	2020
Class X (CBSE), M.K.DAV Public School, Jharkhand	2018

PROJECTS

Learning Management System (LMS) Portal

- Developed a responsive Learning Management System (LMS) Portal using HTML, CSS, and JavaScript to provide students with a centralized platform for accessing courses, study materials, assignments, and educational resources.
- Implemented interactive course navigation, structured content organization, and intuitive user interface components to improve accessibility, user engagement, and the overall learning experience.
- Designed reusable UI components and optimized application performance, ensuring responsive design, cross-browser compatibility, and a seamless experience across desktop, tablet, and mobile devices.

Employee Directory System

- Developed a responsive Employee Directory System using modern web development technologies to manage and organize employee information efficiently.
- Implemented CRUD (Create, Read, Update, Delete) operations, employee search, filtering, and record management functionalities to improve data accessibility and user productivity.
- Designed reusable UI components and optimized application performance, ensuring responsive design, cross-browser compatibility, and enhanced user experience.

E-Learning Website for Students

- Developed an interactive e-learning platform using HTML, CSS, JavaScript, and responsive web design principles.
- Implemented course browsing, user-friendly navigation, and dynamic content presentation to improve accessibility and learning experience.
- Applied modern frontend development practices to ensure responsive design, maintainability, and enhanced user engagement.

INTERNSHIPS & CERTIFICATIONS

- MERN Stack Internship at Codec Technology (React.js, Node.js, Express.js, MongoDB)
- Full Stack Web Development Internship at Robokwik (IIT BHU)
- Java + DSA Course from Coding Ninjas
- Python Programming
- C++ Programming (Udemy)
- HTML , CSS, JavaScript (Coursera)

TECHNICAL SKILLS

Programming Languages: C, C++, Java, Python, JavaScript

Frontend: HTML5, CSS3, React.js, Bootstrap

Backend: Node.js, Express.js

Database: MongoDB, MySQL

Tools: Git, GitHub, VS Code

Concepts: Object-Oriented Programming (OOP), Data Structures & Algorithms (DSA), REST APIs
